TO OUR PATIENTS:

As consultants, working along with your other physicians in the diagnosis and treatment of retinal diseases, we must from time to time order testing which we believe is essential for the diagnosis, understanding, and management of your eye condition. No testing is performed without clear clinical indications, and every effort is made to keep the cost of your treatment as low as possible.

Insurance regulations allow certain test to be ARBITRARILY labeled as "not reasonable and necessary for the treatment of illness or injury." On the basis of this, ANY test may be singled out by your insurance to be denied reimbursement to you.

We deeply regret such cost saving measures; HOWEVER, we can ONLY practice in a way which will provide excellence to you, which we believe you deserve. If this discriminatory action occurs in our request for reimbursement, we will be forced to collect the cost of these services DIRECTLY from you; but WILL appeal the case for you to the insurance authorities.

If we are NOT in your insurance network, your services will fall under "OUT OF NETWORK" which may result in high deductibles and higher share of cost to the patient.

ALSO:

ALL COPAYS ARE DUE AT THE TIME OF SERVICE.

A $15.00 SERVICE FEE WILL BE BILLED TO YOU IF WE CAN'T COLLECT AT THE TIME OF SERVICE.
